- Lymphoma
- Cancer
- ... and other illnesses

ATTENTION
Scientists estimate: our daily exposure to Electro Magnetic Radiation is 100 million times higher than 50 years ago.

Not protected

POSITIVE ENERGY
IS PROTECTING YOU

NESU prevents the penetration of negative radiation from mobile devices into the human body.

NESU stabilizes the energy field around a person that is negatively affected.

Protected by **NESU**

NESU is protecting the person not the phone.
Protecting without weakening the signal strength.
NESU is the most reliable Mobile Radiation Shield.

TESTED AND VERIFIED

SGS

the world's leader in inspection, verification, testing and certification, a global benchmark for quality and integrity.
